“ Sincere condolences to Doris and family. Frank was a good friend and always had a joke and a smile for everyone. He kept in touch with all his friends and Lodge brothers and kept everyone informed of good and sometimes bad news. There is no one quite like Frank to take his place.. He will be sorely missed.

“ Frank treated me like his own daughter right from day one. He adored his grandsons, our boys, Mike and Joe. He had a sense of humor that sometimes took you by surprise! Early in our marriage, Ron and I were at his house for a holiday meal and trying to be the helpful daughter-in-law, I brought him his bowl of soup. As I was putting it in front of him, I spilled right down the front of him! Hot soup! I was mortified and all he said was "that's ok, Doris made it so it wasn't hot anyway"! We all had a good laugh and it became the running joke in the family for years to come. We will miss your laugh and your infectious smile. Your generosity and true concern for all people will remain an inspiration to us as we try to pick up the pieces of our broken hearts. Thank you for loving me, Mikey, and Joey with all your heart. Rest peacefully Dad. We love you.

I knew Frank for over 40 years. We were once neighbors in Blue Ash. Frank was unique as he always had a positive attitude and always had a good joke when you needed one. My sympathy goes out to Doris and the family. I'm definitely going to miss him and his humor. May he Rest In Peace!
