“ Jerry was always a wonderful, kind, and loving cousin. Jerry and my husband, Harvey, were very close, and it was through that relationship that Jerry and I connected.

Lola, Lisa, and family, I am so sorry for your loss. Over the years, Jerry made it very clear how much he loved all of you.

My thoughts and prayers are with you.

“ He was always there for us. Showing me how to do body work and rebuild the engine on my first car to all kinds of home improvement projects once I became a home owner. Building sheds, remodeling kitchens, bathrooms, installing doors, floors and more. He could do any electrical and plumbing that I needed help with. Though he was my stepfather I couldn't have asked for a better dad. I loved him and will miss him so much.

“ I never knew Me Bartel, but I know Lisa. That alone shows what a great man he was. The values he instilled in his family says a lot. RIP

“ Uncle Jerry will be missed. He and my dad, George, loved fishing. Always going fishing or traveling to Canada to try their hand there at fishing. He loved asking my daughter where she got her green hair....because it was red. ❤️
