“ Dear family. I had the privilege of working with Joanie in the Trucking Division at Great American Insurance. In fact, so did both my boys. When the boys came to work with me on bring your child to work day they also had the privilege of working with her, "helping" Joanie do things that day (I'm sure she got far less done, but she was so gracious about allowing them to assist her with her work). She was the most AMAZINGLY sweet lady!! She was so kind and caring towards my boys and she always treated me so wonderfully well. I loved seeing her each day. It was always a blessing to my day. Joanie's presence brought happiness to my days and instantly brought a smile to my face. We've missed her tremendously and I am personally very deeply saddened to hear of her passing. Please accept my most heartfelt condolences for your loss. I hope Joanie did not suffer, and I hope she was able to enjoy doing things she enjoyed, including listening to Johnny Mathis as much as she could. I extend my sincere apologies to all of you. You are in my thoughts and prayers.
