“ Miss Jonny terribly! Especially with Bengal football coming up. We would text throughout each game...him in Cincinnati and me in Vegas then in Phoenix. Jonny and I were extremely close friends. Not only did we work together for many years at Hills Communities, but we traveled together many times. When I was living in HHI, he would drive down to SC and pick me up and we would head down to the Jewish Delies in FL. One time we had 3 meals in 24 hours at Wolfie's (?)....Jonny LOVED his corned beef and pastrami. So many wonderful memories of a great friend....Jonny's Uncle Bro was my Dad's best friend. We would argue like a sister and brother but we would do anything for each other. He was one of a kind....loved to laugh, loved to drive through beautiful area of Indian Hill and horse country in KY. To all the little kids in my family he was always Uncle Jon!!! Miss you Jonny B!!!

“ Jon and I worked together at Hills for many years and we became friends. We were able to travel together on some business trips and we knew many of the same people. Even when he worked for Gold Key Homes we still spoke nearly daily. Jon was a good guy. He was honest and a competent salesman who helped a lot of people buy homes.

“ Jon and I shared 100's of rounds of golf together over many years. We played as a twosome a lot, and also played as a foursome practically every week. The tradition was Jon and Rod Kaplan vs. Steve Juran and Dave Goodman, and we called it a "grudge match". We played practically every course in the area from Belterra to Elks Run and from Fox Run to Shaker Run. We shared many laughs together as we played our low ball, low total and low putts matches. Most of the time Jon would drive all of us to the course in his big smooth riding Buick. The trunk easily held all four golf bags. On the way to the course Jon would enjoy his White Castle coffee and a few cigarettes.

“ I spoke to Jonny almost everyday for the last 8 years. He loved reminiscing about all of you guys and playing golf. He loved every minute of being with you all. Nancy Hiudt Enneking
