“ Ron, or Ronnie as I knew him then, and I were close friends in our early years at Roselawn School. Although I spent less time with him in high school and in later years, our bonds of affection and shared memories never faded. He was always a fine person and just seeing him at Wise Temple or elsewhere and chatting with him was a special treat for me. I, Too, shall miss him.

“ Dear Nancy and Family,

It is with great sadness to learn of Ron's passing.

All the times I saw both of you at Costco, both being so friendly.

I am sure he will be missed by all of you, but his memory lives on in the wonderful, and cherished memories you and your family shared together.

Please know that others care.

May his memory be a blessing and know that his life on earth doing good, is a living testament to his name.

With deepest sympathy to you and family.

“ My condolences to Ron's family. We were classmates at Woodward and had many classes together. Our paths periodically passed over the years since we were both attorneys. He enjoyed an excellent reputation among lawyers, but I appreciated him most for his kindness, empathy, friendship, and intelligence - a wonderful man who will be dearly missed.

“ I was saddened to learn of Ron's passing. The last time I spoke to Ron was at the Friday evening event for our 50th class reunion. It was a pleasure to reconnect with him--he was always so nice and had such a gentle nature.

Nancy, it has been many years since I have seen you. I want you to know how sorry I am for your loss. The world has lost a very good man with Ron's passing. My sincere sympathy to you, and may good memories of your years together bring you comfort in the days ahead.

“ "May tender memories soften your grief, May fond recollection bring you relief, And may you find comfort and peace in the thought Of the joy that knowing your loved one brought... For time and space can never divide Or keep your loved one from your side. When memory paints in colors true, the happy hours that belonged to you." ~ Helen Steiner Rice

“ I was sorry to hear about Ron's passing. Ron was my locker partner at Woodward and good friend. We frequently walked home after school together. Ron and I had a long phone call in January, catching up on the past 50 years. It was great talking with him.

“ Ron will be missed by all. A great friend for 50 years. Hundreds of Friday night poker games. Many dinners out with the poker group. We (not Ron) used his dad's printing tools to change a Woodward report card and he still kept us as friends. I once told Ron we were afraid to go to some of the Woodward High games and he said he went to them all as part of the band. I didn't know that during school days. We were fortunate to have so many good times.

“ I have known Ronnie since second grade when I came to Roselawn school. We had a small group consisting of the two of us and Marty Horwitz and Ira Kaplan. It's hard to believe I am the only one left before we reach 70. I fondly remember hours in his basement with Phil's printing equipment and the to robot. We went to Woodward and even though we had other friends I always called Ronnie a friend. It was especially great to reconnect with him at Monday dinners and reunions. My deepest condolences go out to the entire Kabakoff family. We will miss your kind soul.

“ I knew Ron as kids in Roselaw-we moved in 4th grade, but I knew we were cousins because my Tantie Fagie was the mother to all Kabakoff's was a Bortz and he was a nice boy . Saw him at Costco and out to dinner. Too young. I am sorry for your loss. I'm sure he left a hole in your heart.
