“ My favorite memory was when Ann & Alan with Howard & Jenny drove to Dayton to see my play reading of "Heartland." I was honored to have their company and support and we had a lovely afternoon. The next day I gave them the great news that my play had won first place!

“ *We are sincerely saddened to hear of Alan's passing. Barb and I got to really know Alan and Ann when we lived in Williamsburg Apts in the early 1970s. We had so many laughs and fun times. Alan was the type person that everyone should have an opportunity to know. Through all Alan's health issues he remained just a really "Good Guy". He will be missed.

“ *Alan and I had some great times at Woodward. A lot of laughs on Friday nights cruising Frisch's on Reading Road. His sense of humor was contagious. Even with all his issues later in life our phone conversations were always about everything other than what he was going through. I'm just happy we got to reunite in person at the 55th reunion. Rest In Peace my friend. Mickey Rose*

“ Dear Ann and Jessica. I am sorry to hear of Alan's passing. I pray the memories you share bring you comfort at this time and in the future. I remember connecting with Alan during our quick morning drop-offs of the girls at Barbara's. Always time for a quick "Hello" and then off we'd go. Prayers for you both.
