“ Allen was the kindest person you could ever know. He always remembered my daughter Alex and I on birthdays and holidays as well as keeping in touch just to see how Alex was doing in school. He always had the best advice to give her. We loved him and miss him.

“ I grew up down the street from Allen. From spoiling me with gifts as a child, to exchanging witty jokes as a teen, and life stories as an adult, Allen was always there for me. And even after moving away, we kept in contact and I took great comfort in knowing he was just a phone call away. He was more than a neighbor, Allen was family. Love always, Nelly, Ana and Neda.

“ I worked with Allen when I was in high school for Dr. Peerless. We had a very long friendship, over 40 years. He would call my mom's house every Christmas Eve & even came one year to our family get together. He was a very funny, caring man who will be missed.

“ Allen was one of the kindest men I have ever met. He was very intelligent and loved to spoil my kids. He is a very giving man always giving the kids around us birthday gifts and those who he knew he never forgot them during the holidays. My life has been so enriched being able to have him in my life. It was my honor and pleasure to give back to him when he needed it. Rest in Peace my friend. You are loved. Kim Gardner and family.
