

Dr. Amy Beumer

December 29, 1978 - June 4, 2026

Dr. Amy Beumer was one of the best human beings anyone has ever had the opportunity to know. As her husband stated "That she loved me and was the light of my life makes me one of the luckiest people on Earth." She possessed an unwavering dedication to knowledge, truth, and the importance of making both accessible to others. In the classroom, through her advocacy, and in her personal relationships, she devoted her life to educating, uplifting, and improving the lives of those around her. Her legacy lives on in the countless students she inspired, the individuals and communities for whom she tirelessly advocated, and the family and friends whose lives were enriched by her love, wisdom, and unwavering support.

Amy is survived by her husband, William Guenley, her mother, Cathy Beumer, her siblings Joe and Shelley Beumer.

Funeral services will be held privately at the convenience of the family. A public Celebration of Life will be held on Monday, June 8, 2026 from 3PM-6PM at Sonder Brewing, 8584 Duke Blvd Mason, Ohio 45040.

“ *So sad to hear about Amy. She was such a bright light during her time here at Wheaton College. One of our friendliest, most enthusiastic colleagues. I was lucky to know her. Such a sad loss for everyone who knew and loved her. Erin Post*
