“ I have known Arlene since elementary school. We had some wonderful, fun times together. Her parents were lovely and I remember Harriett. We spent a lot of time talking together. We lost touch over the years....but I have such warm feelings for her. My sympathy to Harriett, her daughters and her husband.

Arlene was a wonderful friend never mincing words always telling the truth. Many times I looked to her for guidance and a role model. She was a wonderful mother and grandmother. I looked to her for a role model . She had a great laugh and I always tried to bring it out with a story or some foolishness of mine. I'll never forget when we walked soo far in the city to look at carpets. I'm sure all of you can see her expression when she said. "we walked soo far this way to see rug and you are going to spend all that money for a white if under where the grandchildren eat. You are crazy ". And we laughed. I always will miss her and love her
