“ For my dear friend of 50 years,

I have gotten to know Arnold, z”l, Barbara and their daughters. I have received much wisdom. The afternoons at the SHOPPE and the wonderful people that were there, tried to solve all of the world’s problems, or none of them.

By tradition, when a Pipeman passes, we denote that with a broken pipe.

Goodbye, my friend,

James M. Farber

Consolation and prayers for healing during this challenging period!
