“ I attended junior high and graduated from high school in Minneapolis with Bobbie Jo. We have had sporadic connection in recent year, but she was important to me in the day. So bright! So funny! So talented! So kind! Condolences to all whose hearts are broken. ~ Roxanne Kleyman Markoff

“ We moved to Cincinnati in 1979. I was so happy to meet Barbara immediately and we spent many an hour playing chamber music together! I was so impressed with her knowledge of all of the music we played. Of course, after playing music together, we enjoyed the best chocolate cake ever that Barbara made for us!
I have so many wonderful memories of our friendship and making music together
Much love, Ellen Shertzer

Barbara was a very special person, talented, kind and soft spoken. Roger your devotion to her speaks volumes about the kind marriage you had. I am so sorry that I am away for the winter and not able to pay a shiva call. May her memory be for a blessing.

Barbara was such a lovely person, and we very much enjoyed being with her at family events. She created a beautiful family which we have the pleasure and honor of sharing. We will be on line for the funeral.
Love, Karen Andres and Aaron Cohen aka Aunt Karen and Uncle Aaron
p.s. I hope that Rena has that chocolate cake recipe.

I met Bobby Jo in 1961 when my brother married her cousin Serene. The next year, she and I became related when I married her cousin Howard. I loved her warmth and sense of humor. We became close during the years in Minneapolis and kept in touch when we moved away. She was a sweetheart and will be missed. I send my deepest sympathies to Roger, their children and grandchildren. May her memory be a blessing.
Love,

Barbara as well as Roger and now Isaac were all very musically connected. We went to some of the northern Kentucky civic orchestra concerts. Our sons and cats played together. When my wife Shelley A"H was ill, she brought a quartet to our house to play for our anniversary.
