

Barbara E. Stern

February 15, 1923 - June 18, 2023

Barbara (Enggass) Stern was born in 1923 in Detroit, Michigan. She died peacefully in her 100th year on June 18, 2023. Barbara moved to Wyoming, Cincinnati in 1946 where she started a family and was active in the community. She continued her support of numerous nonprofits in honor of her late husband Robert. D. Stern, whom she loved deeply.

Known for her sharp, straightforward wit, Barbara was quick to laugh at herself – donning the same unique blend of orange lipstick for nearly 70 years. She cherished deep friendships with friends and family and was always “in the know.” Barbara was the family matriarch – mother to Alan Piker (Trish), Ted Piker (Ann) and Jeff Piker and sister to Peter M. Enggass. She was the devoted grandmother of Laura Harverson (Phil), Daniel Piker (Elly), Maggie Piker, Rachel Piker, Sam Piker (Caroline) and Suzi Pond (Gavin). She was also a great-grandmother to Abigail, Peter, Hanna and Maya Harverson, Nathan, Luka and Edie Piker and Miles and Nico Pond.

The family would like to thank the many caregivers who assisted her in her later years. Services will be private. Memorial contributions to The Talbert House (www.talberthouse.org) are greatly appreciated.
