“ My sympathies to Patsy and family. Patsy and I were neighbors on Barbara Pl. and I knew Barry growing up in Bond Hill. Their spirit of giving transcends me to do what I can. I graduated from Xavier University, a private Jesuit school. with 3 degrees. I have a scholarship fund to assist a Jewish student who can demonstrate a financial need. Thanks to Patsy and family for showing me the "light" and to giving back.

“ Dear Patsy & family,
I am saddened to hear of Barry's passing. I have such fond memories of him, a great guy I've known since childhood together. Barry clearly touched many lives and leveraged his good fortune to benefit his community and beyond. May his memory always be for a blessing, and be a source of comfort to those who loved him. “ May Barry's life, deeds and memory become an eternal source of Brachot and Mitzvot for his entire family and all of his friends.

“ When I first met Barry for an interview he challenged me a bit which I respected and actually enjoyed. I knew I had to prove myself which I did in the first year. It was important to me to earn his respect and it made me feel proud of myself when I did. That's the memory I will always have. Not many employers can have this affect and while I am not a direct employee I always have felt like one. He will truly be missed and I send my prayers and condolences to the entire family.

“ Sending my deepest condolences and sympathy to the Kahn family. I wish I could have given you your flowers while you were here. Thank you for allowing me to learn how to be professional, consistent, and grow within the company. Also, thanks for providing for my family, by letting be a team member at Glendale Place for 13 years.

“ Barry was one of the first people I met when I moved to Cincinnati many years ago. Over the years he always said hello and always remembered my birthday. In addition, he always had a witty comment on Facebook and was always welcome to feedback after my frequent visits to his movie theatres. My condolences to his loving family and all who had the pleasure of knowing such a good man. May his memor yalways be for a blessing.

Although miles have kept us apart for many years our friendship was and bond was strong. I have so many golf stories I could share about our trips to Vegas, Palm Desert, etc but one of my favorite memories was when I asked Barry to come to Las Vegas (after we moved there) to play in the Member/Guest tournament at Anthem Country Club and almost won it...losing on the last hole. I will miss you Barry.
