“ I had the honor and privelege of knowing Bernard during his last 12 years as a resident of Halom House. He was a delightful participant in our Erev Shabbos and holiday gatherings, arts and crafts classes and all other events. He was truly a unique person with a very special soul. May his memory be blessed.

“ Dear Sylvia and Barbara, You have my deepest sympathies for the loss of your brother. Bernard was a great friend. I remember how proud he was at his Bar Mitzvah and when he gave his speech. I was so proud of him!
