“ A beautiful soul has left this earth and my heart is broken. I love so very much Aunt Bernice, and the world is a lesser place without you in it. Your kind, generous spirit will be sorely missed. I feel privileged to have been able to spend time with you recently, but it simply was not enough.

Sending all my love to Julie and Wayne and all of their and Aunt Bernice's extended family and friends. I am with you all in spirit today and wish you all strength and courage, and the joy of sharing wonderful memories.
