“ To my dear friend Bernice "Copperfield," — we so called you because you lit up the room like MAGIC everywhere you went. I will always remember our conversations about food, travel, your sage advice and the meatball hoagies we shared at Sorrento's. I miss you, but your spirit will always live on in my heart!

“ I will always have fond memories of Bernice. She and Laverne Hiudt used to take my baby boy and entertain him while my husband and I had dinner at Crest Hills. She always had a smile on her face and had a good time. Lovely lady.
