“ Our condolences on the death of your Mother. We have fond memories of both of them & shared shul visits often as well as spontaneous Shabbat lunches, while my husband was at HUC from 79 - 82. They welcomed us into their home & embraced our children (10 & 13), who very much missed their grandparents. Your Dad was Eddie's thesis advisor as they had a mutual love of Yiddish literature. Your Mother was a generous hostess, wonderful cook & baker, a warm friend. Sincerely, Eddie & Fagi Goldfarb (Toronto).
