

## Bessie Wolf

February 21, 1917 - January 20, 2022

Bessie Wolf has finished her journey, one month shy of her 105th birthday. She passed on peacefully after she had finished calling and writing family and friends to tell them how much she loved them and how much she wished them the best.

Born in Newport Kentucky, the youngest of 5 children of Abraham and Edith Greenstein, Bessie was raised in Price Hill, married to Maurice Wolf (of blessed memory) in 1940, raised a family in Avondale and Bond Hill and spent her last 40+ years in a fourplex on Section Road in Amberley, surrounded by lifelong friends.

She had two son, Ken (Madeline) Wolf of Los Angeles and Larry Wolf (of blessed memory), eight grandchildren-Michael (Lisa) Wolf, Laura (Josh) Stein, Joey (Christa) Wolf, Steven (Jen) Wolf, Richard (Rachell) Wolf and Robert Wolf and ten great-grandchildren -Kayla Klein-Wolf, JJ Klein-Wolf, Emma Stein, Jessie Stein, Rylie Wolf, Brayden Wolf, Dylan Wolf, Avery Giesler, Ella Giesler, and Macie Wolf. She is also survived by many nieces, nephews, cousins and friends now living in many different parts of the world. A special thanks to Sapphire Williams who cared for Bess during her last 5 years and holds a very special place in the hearts of our family.

Bessie had a passion for life, for travel and for engaging with people. She was

an avid player of Mah Jong, a collector of elephant statues, and a master baker of kamishbread and mandlebread. She was a great story teller and was reading books, using an iPad and emailing family and friends up until the very end. No birthday went by without a timely sent card with every printed word underlined.

She will be sorely missed and loved forever by all who knew and loved her. A women of valor! May she rest in the peace she so richly earned.

“ Dearest Ken and Madeline,

*I was so touched by the wonderful tributes made this morning about your Bessie! The comments made by J.J., Laura, Herb, and Ken spoke miles about the love that she gave to everyone and all the love Bess got back in return. What a treasured life she lived!*

*My family has many dear memories of knish bread and laughter at your home with Bess. From celebrations of birthdays and mitzvahs, we collectively recall her spirit and care.*

*May the memories and stories, love and hugs, hold each of your family members in the warm embrace of Bess's love, and may the comfort of her times with you bring you ease as you mourn the loss of your mom, grandmother, great-grandmother, and friend.*

*With the deepest of sympathies and with much love,*

*Dale Rose and family*

“ I am unable to tell you an exact moment when Aunt Bess became a part of the extended Royal family. She was along with mom, a “Golden Girl” as we dubbed Evy, Naomi, Bess, Gert and Freddy. They traveled and baked for our children's Bar Mitzvahs then took off to tour after to wherever they felt like going. Always with laughter and joy. I never came with or without my 3 sons to visit that did not include a long visit with Aunt Bess and Maj! I love knowing that the ladies are once again playing Maj and can hear them shuffling tiles, going over the card, talking non-stop and enjoying each other. I know how much her friendship meant to our entire family and how much we shall all miss her. As my youngest Douglas said, “105, Mom. A life well lived. We have pictures and memories. Just think of the trouble they are causing in Heaven!” I hate that Covid kept me from one last visit to Cincy to see her. May her memory be for a blessing. Always.

“ Aunt Bess will be dearly missed by the Reisenfeld Family. We have so many special memories of family get togethers on birthdays, Jewish holidays and so many more.. She was such an intricate part of our family fabric. We love you and miss you but we know you are with your beloved Maury and other relatives. We promise to keep your rich traditions and baking going. I will endlessly continue my efforts to make the perfect Charoset. Rest in peace Aunt Bess. We look forward to seeing you again some day in the future.

“ I adored Bessie and marveled at her smile and endearing manner to all. My late mother and I knew Bessie from the Friends of Cedar Village. She amazed me with her sincere commitment to others. Bessie sent lovely cards with caring notes on behalf of the Friends of CV. Bessie was always a positive lady with such a warm smile. May her memory be a blessing.

“ Dearest Bess-a-la was my beloved mom’s lifelong friend, from early days in Price Hill together, and throughout their lives. I loved Bessie and admired her “get up and go” spirit. Bessie came to my mom’s graveside memorial service in the fall of 2018; so grateful to see her there. Bessie joined us for the memorial meal following the service and wowed everyone there with her grasp about electronic communications. Most of all, I treasure that we stayed in touch, with our exchange of greeting cards and phone calls. May her loving spirit, joy for life, and blessed memory always be for a blessing.
