“ Alas there comes a time for earthly parting; always too short no matter the age. May God and His Son help to comfort you during this time and realize how blessed you were to have such a mother for those many decades.

“ Betty was such a wonderful lady. Like a second mother to me. Spent many nights at the Roth house on Storybook Lane. She bowled at Losantiville Lanes with my mother and Dellie and I have wonderful memories of playing there. She will be greatly missed! Prayers to all of her family.
