

## Beverly Ruth Benmayer

February 14, 1933 - March 4, 2024

Beverly Benmayer, 91, devoted wife of the late Dr. Jack Benmayer, passed away peacefully on March 4, 2024. She was the heart of their home, sharing 71 years of unwavering love and support with Jack. As a mother, Beverly was a steady source of guidance and love to her children, Susan and Mark (Dianne), shaping their paths with her wisdom and care. Her biggest joy was being grandma to Josh (Amy), Jessie (Ben), Alex, David, and Rob, and great-grandma to Noa, Nash, Zoey, and Jack. Beverly's warm smile, witty personality, and compassionate nature endeared her to countless friends, bringing joy and comfort to all she met. Her memory will be cherished forever and her legacy of love continues to brighten the lives of those she touched. A private service and celebration will be held in her honor. In lieu of flowers, memorial contributions to a charity of choice would be appreciated.

“ I remember Mrs Benmayer very well. As a childhood friend of Susan’s, she used to drive us and the other girls on summer afternoons to the Amberly Swim Club in her Pacer. I never write here, but was compelled to share this wonderful memory. May her memory be for a blessing

“ I have known Bev and Dr. B. since 1970 when I worked at the Berry Lane Dental office for ten years. I truly loved working there in such a big dental practice for some of the best dentists in Cincinnati. When Bev would come in the office to see Dr. B. or for her dental appointment, she always looked as cute as can be even in her tennis outfit. She was always smiling and happy to talk to the everyone. Mark and Susan were both in junior high school when I started working at the office. Bev and Dr. B. were such a good team together and good parents to their children. Mark and Susan both were very blessed to have had a wonderful set of parents. You both also blessed them to have been able to be grandparents to your grandkids and great grandkids. I thought your Mother would soon join your Dad having been together 71 years and had a wonderful life together which will now continue. Your Mother totally remembered me when I saw her at your Dad's visitation. She remembered my name and David's name and asked how our sons are doing after 30 years.  
Fondly, Louise and David Goodman

“ Heartfelt condolences on the loss of your precious mother, Bev ... and so soon after losing your precious dad, Jack. There simply are no words, just the love and support of old friends who share in your sadness and loss, and offer what small comfort we can. Our parents frame our families and when they are gone, the picture is never quite the same again. They are impossible to replace but the imprints they leave on our hearts, last for generations. May the love and the memories you hold close in your heart of both your beloved parents, always support you and bring you much comfort. Sending you and your beautiful family all of the love, strength and courage I can, to help see you through these most difficult days. With much love to you my friends!!! xoxo Cindy Leder & Family 💔💔
