“ Teri, Jill, and Lori, thinking of you as you mourn the loss of your mother. She will be remembered by all who knew her, a beautiful and lovely lady. I hope she is resting in the arms of your father.

“ As Jill's long time friend, I remember Beverly starting from the time Jill and I were in preschool together. I have many memories of her all through Jill's and my growing up years--- all the way through high school after which I moved away. Beverly was always the most beautiful and stylish mom of all. She was always very kind and loving, and especially so with her husband, Gene, and with her children. Whether in reality she was or not, she always appeared "calm and collected." I know she was cherished and beloved by all of her daughters, her grandchildren---all of her family members and friends. While losing her at any time would be difficult, what a blessing for Beverly's family to have her with them in their lives until almost half way through her 100th year! Sending prayers for Beverly; may she be re-united with her husband, Gene, and God in peace and love in eternal life. Heartfelt Condolences to all!
