“ Bonnie and I were friends for almost a lifetime! We were roommates at college and our friendship lasted and remained close. I have so many wonderful memories of our time together. She was a wonderful friend, a great Mom and one of the most elegant woman I have ever met. Chuck and I send our love and condolences to the whole family.

“ I met Binnie through her membership with the University of Chicago Women's Board. She was a joy, and we shared many fun antics in person and on Facebook. I will truly miss her. Sending condolences to the family and I am so sorry for your loss.

“ Binnie was a dear and fun friend. I love her smile and her cheerful laughing voice. She shared her decorating skills with me and helped me create a beautiful sunny home. She encouraged and included my quirky ideas leading to compliments from many friends. We ate together, drank together and laughed often. Patsy

Binnie was the reason I went to U of M and all the wonderful results of that. I spent the wknd w her and went to a yoga party at a fraternity and that wknd of college fun sealed the deal. I also remember Alan as a secret crush around that time. I'll always be grateful and can see her suave self now in my memory's viewfinder !!
