I will miss your sweet smile and warm personality. You were a great conversationalist and always brought wisdom to every discussion we had. I pray for you to have rest and may your loving family be comforted.

“ *Oh, Bonnie*
We met at the Seasons and became instant friends. We ate often ate our meals together- always dinner. We enjoyed the Aronoff and Symphony and dinner outings, but most of all the hours we spent at your apartment knitting or crocheting were priceless. We talked about our hubbies and how we missed them, about our pasts, and how we must go on. Well, my dear Bonnie, you are with your love now. I will go on missing you and blowing kisses to you to heaven.
