“ I have been at a loss for words since hearing the news. There are hundreds of thoughts and mixed emotions that I cannot string together on paper that way that you would have been able to. I will forever cherish the memories that we made as childhood best friends. We were involved in a lot together as kids from baseball, basketball, Boy Scouts, 4-H, trips to Michigan, and much more. You were the best neighbor and best friend that I could have asked for as a kid and I am forever grateful to have been a part of your life.

Bob, Diane, and Allyse: I am heart broken for your loss and will continue to pray for your healing through this difficult time. My fondest memories as a kid involved Bryan in one way or another. I always felt at home whenever I would come to your house. You are all so very welcoming and kind. Thank you for letting me be a part of your family.
