“ *Hi Rodney, Danny & Barry,  
I was so moved by the lovely service today. I haven't seen you 3 &  
your families in years.  
It was so good to hear each of you talk about Calvin.  
As a little girl living in Hamilton I collected movie star photos & loved  
celebrities.  
Well when I was lucky enough to attend Calvin's wedding, I felt like I  
was in Hollywood.  
They were such a handsome couple in beautiful clothes. The festive  
wedding complete with live music & delicious food was one of my  
favorite events ever.  
The Abe & Elka Kaplan family is one to be proud of and certainly a  
blessed one.  
Love,  
Sally*

“ *Calvin was such a sweet big cousin. He always took the time to say  
hello and chat. I remember his beautiful wedding to Charlotte. Aunt  
Elka always made sure to invite all the cousins and there were a lot  
of us. It's a sad time for you. Please accept my condolences.  
Sending my love to Calvins children and grandchildren.  
Love, Madelon*
