“ Hello, My name is John Seebeck. I just discovered this page today, on Feb 14 2022. I am coming into San Francisco tomorrow. I was cleaning up my contacts moments ago, due to a new phone, and came across Chuck's. I just called the number unknowingly because I wanted to see if we could get together. Of course, it had been disconnected. I then turned to Linked IN, and then Google, and found this. I am so sorry to hear this news. I want to send all my love and support to Betsy and Chuck's three children, and all family members. I worked closely with Chuck when I was at Crate and Barrel, and he was starting Catalog Choice. Chuck was one of a kind. I loved his courage, his principles and his kindness. I also loved his sense of humor. I remember meeting the family once, near the Crate and Barrel store, and I remember Chuck insisting he drive me to the airport once so we can have more time talking. May peace be with all who knew Chuck. John Seebeck (jrseebeck@gmail.com)
