“ I’m just now learning of Corrine’s passing. I had the pleasure of being one of her caregivers and heard many stories about her loving family and friends. She was popular at The Kenwood, receiving many greetings from friends as we took her to dinner each night or on a walk outside. She was always kind and will be thought of fondly as one of my most endearing patients.

“ As a next door neighbor of the Kapors, we share many fond memories of Corrine and her family. All good. She had the wonderful gift of being a sincere friend, great mother and wife. Most of all, Helen and I always had a deep respect for her ability to be her own person, no airs. Rest in peace.

“ *Sending condolences to all family and friends of Mrs. Corinne Kapor. It was true and sincere blessing to care for her in her last days. She was a joy and I appreciated her love for the arts. Mrs. Corrine taught me how to play happy birthday on the piano and adored stories about my ballerina daughter. We shared the same birthday and for now on not only will celebrate for me, I will be celebrating for us both.*
