“ For Jan, Maggie, Ken, and Susan--We send our sincerest condolences. We were often on the same political side as Dan, dating back to 1970 when Dan and Jan hosted a fundraiser for Jack Gilligan, who would be elected Ohio Governor. We kept up with Maggie because she was a classmate at McGuffey School and Talawanda High School of our daughter Pamela. Our son Steve, who was Ken's classmate, has "fond memories of Mr. Jacobs and the many times we visited their home. I also remember attending several Reds "Opening Day" games with Ken and Mr. Jacobs, which were of course great. Before the games we would often grab lunch at Izzy's delicatessen, which I assume was a family tradition. I doubt that they continued the Opening Day tradition beyond Ken's time at home, but while it lasted I know Ken loved it." We will all miss Dan!

“ Dan practiced better than anyone I know the art of loving-kindness. He did this to all of his colleagues and students in the Department of Political Science at Miami and to all his friends and family. And in his life's work, he was a great teacher, scholar, and political analyst of the highest quality. What wonderful memories he leaves us with, memories that will continue to sustain us all through the rest of our life journeys.

“ *We are so very sad to hear about Danny passing. He was always so good to my Dad and Barb and I. Dad often had spoken very fondly about the fun he had with his boyhood cousin "Danny". Mike and Barb Rothenberg*
