“*Davina was such a kind person, I didn't know her very well but when my beloved cat of 5 years passed unexpectedly she was one of the few people who consistently checked in with me and sent the sweetest messages to lift my spirits. I learned of her passing recently and I wish I had been able to get to know her more but her memory and kindness lives on. Sending my love to Pumpkin as well as her relatives and friends.*

I just found out that Davina is no longer with us. We met her 20 years ago when my son became friends with both Josh and Jared. The family lived close to our home. Davina was always a light, full of joy, sunshine kindness energy and humor. We enjoyed spending some time with her a few summers back when she was working as a lifeguard at the Blue Ash Y pool. Deedy, Josh Jared , Sean and both extended families. My heart is aching with you and for you on this primal loss. Sorry to have missed the celebration of Davina's life last month. Praying for you all and sending strength during this shloshim and beyond. Marlene and Bernie and our family .

“*Davina will always live in my heart as the sweetest angel of a human I’ve ever had the pleasure of loving. One of the brightest lights in my life, we always cheered each other up when ever we needed it from each other. She never failed to make me laugh or smile. I’ll always think of the nights we stayed up late on the phone laughing together or the times we’d just sit and hold hands while we froze and talked by the shed at your moms. I’ll always remember your laugh too, so deep and full of joy.*”

“*Davina came into my life at a time when I really needed a friend. She helped me through one of the hardest times of my life, even though she was in Cincinnati and I had to move to NYC, she made sure to talk to me each day and check on me. Davina was the kindest, most beautiful soul. I couldn’t say enough good things about her. She will forever be a major part of my life and my story. I know her memory will forever remain, and all who had to absolute HONOR of knowing her will love her forever. The most beautiful girl the world has ever known.*”

“ I loved Davina from the moment I met her when she was six years old spending time with your wonderful parents, Deedy, who were like family to me for so many years. I have great memories of them sharing holidays at our home and watching her grow into a beautiful young lady as we just a few years ago celebrated her Grandmother's significant birthday. Gloria was always so proud of her as I would listen to the many stories she shared with me. I know what a huge void this will be in your life as I feel your loss and pain during this very difficult time. She was a beautiful and very vibrant person, inside and out. She will be missed by so many who knew and loved her.
May her memory always be for a blessing.
