“ Linda, Judy, and "Bobby,"
I am sorry to hear you lost your beloved mother last week. I saw her 2 or 3 times at the Kenwood when I visited our mother. Your mom was so warm and friendly to me. We shared a lot when we were so young! You and your parents welcomed me to your home countless times, and we're a big part of my happy childhood. May you all be comforted.

“ Debbe taught me so much about being a good kindergarten teacher. I was 21 when I began teaching with her at Woodford.. We taught together until she retired. She was not just a mentor, she was a friend. Michelle Woodward Griffith

You learned from the master, Michelle! I had twins and one was in your class and one was in Debbie's class. I couldn't have asked for two better teachers! May her memory be a blessing and an inspiration. Susan, mother of Becky and Shayna in Debbe's class and Laura in Michelle's class

“ we all loved our Aunt Debbie & will miss her; she had a zest for life and a healthy sense of humor. As kids, we all celebrated Jewish holidays together and luckily, we have home movies of those days so long ago--when there was such an innocence about life. I can remember one holiday over at Debbie's house where I recall somebody actually making chopped liver using some hand cranked device. So thankful for those memories. My condolences to my cousins, Linda, Judy & Bobby.

*“ I met Debbie when she was at the Kenwood in memory care where her intelligence and self respect were apparent. The most prominent feature about her was her passion for education and love of teaching.i am quite sure the field of early childhood education profited from her years of devotion. My sincere condolences to her family.

“ *My family were neighbors of Debbie's on Elbrook and we had other connections as well. She was always a vibrant, friendly and adventurous person who had an infectious laugh and a wry take on the world. She will be missed*
