

Debra Sue Venn

July 30, 1960 - December 9, 2024

Debra Sue Venn was born July 30, 1960 and died December 9, 2024. She was 64 years old.

Debra was a lover of good food, wine and the company of friends and family. She loved her work as a Case Manager to those injured on the job and she worked hard to get her clients the best possible care and to get their lives back on track. She loved the outdoors, taking walks and sitting in the sun on her deck overlooking our beautiful river city. Her battle against cancer was hard fought and she inspired all those around her who witnessed her immense strength and courage.

She spent her last days surrounded by friends, family and dedicated caregivers, resting with her cats curled up on her, eating good food and being well-loved and cared for.

A celebration of life will be held in the spring. Details are to be determined.

In lieu of flowers, memorial donations may be made to the volunteer based animal rescue, Tri-State Noah Project at tristatenoahproject.com

“ *Debbie was a best friend when we were very young. One time at her mom's when they were living on Vera Ave., I cut off all her hair & obviously got in huge trouble, we were four. I'm heartbroken to hear this news- she was not only a diamond in the sky but also, one of the sweetest gals anyone could ever meet.*

*Thank you for sharing this memory, Cathy. Looking through old photos I found what I believe to be Deb's 8th birthday party on Elbrook Ave. I'm pretty sure you were in that photo!

“ *Debra joined my Women's Healing and Adventure Retreat in France a few years ago. She was interested in everything, always charming and loving to everyone in the group and enjoying every part of our adventure! A wise and wonderful woman. I will miss her very much.*

Thank you, Blu. Deb's most recent trip to France with you this past summer was hugely important to her. I'm grateful that she was able to have this transformative experience at the end of her life.
