“ I am saddened to hear about Blue. We shared a great experience at Staunton Military Academy and he was one of my favorite roommates. Rest in Peace Blue.

“ I really enjoyed hearing Blue talk. He had a slight southern accent, and when he shared a story about his family or adventures you were entertained. I would like to honor him and Beth for raising 3 amazing children. Well done, and I have the privilege of one of them being my daughter in law.

“ Sending our sympathy and condolences on the passing of Blue. We had the privilege of hosting him and his “Cincinnati Boys” for many years during the NASCAR Food City race in Bristol, Tennessee. His jovial disposition, friendly smile, and ability to make friends feel like family will always have a special place in the Miller family. We always looked forward to sharing some Graeter’s ice cream, fellowship, and endless laughter. His family and the Cincinnati Boys will always have a place of honor on our property and in our hearts and minds.

May GOD continue to provide grace, comfort, and healing in the days ahead.

Warmest Regards,

Johnnie, Ronnie, Doug, Teresa, Sheila & Maria
