“ *The Metallic Club will miss our brother member Ed, and we send our condolences to his family. He enjoyed our various presentations, and we enjoyed him. He always wore a smile as he talked with us in our Friday meetings, and we enjoyed his flying stories.*

*Bon Voyage dear friend.*

“ *We are so sorry to hear your dad passed away. Your dad always loved to see us kids while he was at our house. He grabbed our cheeks and give them a good pinch and we grew to know that was your dads way of showing us he cared about us. He and your mom watched us play our instruments, dance and were always smiling when we performed for “the group.” We have missed seeing your mom for years and now to lose your dad too... it’s so sad. We will remember all the good times we had with your mom and dad !*

“ Rijon, Bay and I are SO sorry that your Dad passed away. I remember being very young when your Mom and Dad used to come to our house with Mr. and Mrs. Segal, the Kesslers and the Korns and they all used to sit in the living room and talk and have drinks and they all had such a wonderful time together.

*May your Dad Rest In Peace and May His Memory Be a Blessing.*
