“ I was a long-standing patient of Ed Kohn and he provided a safe place for my therapy when I lost my daughter and wife. I cannot imagine how much his family will miss his kindness and wisdom.

Let me extend my deepest sympathy for his wife Sandra and family. He was an exceptional human being.

“ *My deep sympathy to Ed's family.
Although I been out of touch for years, Ed was such a formative part
of my young adulthood, it leaves a gaping hole in my heart to think
of a world without him.
For me he will always be the curious, smart and supportive friend
form my years in Cincinnati.*
