We know Eddie through the Jewish Congregation on Marco Island (JCMI). Eddie was always very kind to me and my family which I appreciated very much. He always went out of his way to say hello and ask how each of us was doing. Eddie was a true Mensch in every sense of the word! We will remember him with great fondness and share our condolences with his wonderful wife Karen and his entire family. Baruch Dayan Ha'Emet. We send our love to Karen and the entire Saeks family. - Rivka & Elliott, and Eta too.

“ *When I was 12 years old, many many years ago Dr Saeks operated on me after I had third degree burns. He was kind, caring and a dream of a doctor, I am sure I fell for him. I am happy to read what a lovely person, doctor and teacher he was. Rest happily in the next world! Susan Spritz Myers*

“ *Its was a privilege to have known Eddie. He was an inspiration to all in so many ways... sharp intellect, wonderful sense of humor, and playing tennis at age 92! He was so proud of his children and grandchildren and shopped for a bow tie for his grandson's white coat ceremony!*

“ The passing Dr. “Eddie” Saeks, as we knew him, is the end of an era. He was a physician of the old school from the days before managed healthcare demanded that doctors cut corners out of patient care. I was Vice-Chair of Jewish Hospital and Chair of the Medical Affairs Committee when Eddie was President of the Medical Staff. Watching him and learning from him how to operate a lifesaving institution was a continuous lesson in ethics and compassion. There are great doctors today in our community, and some know the debt they owe to this great man. I hope they carry on his legacy. I send my wish for Shalom to Eddie’s entire family.

I was fortunate to have Eddie as my medical teacher even before entering medical school, while I was a maintenance guy at Jewish Hospital. He was a passionate caregiver, a truly brilliant surgeon, a man of great wisdom with a great sense of humor, a fierce tennis opponent, a coauthor, so very much more. His memory is indeed for a blessing. And blessings to Karen for her dedicated love and care for Eddie always, and especially over the last few months.
