*Like many people, we share very good memories of Eileen. Warm, fair, humorous and straightforward. These are words that we think fit. Thank you for everything. Ytje and Harold from The Netherlands.*

*What an amazing lady! In the short time I knew her she made an impression on me with her dogged determination to be as independent as humanly possible. She showed me, with strict instructions NOT to touch her, how independent she was with her wheelchair and how she managed to get to meals on her own. She entertained me with stories of teaching school, all grades except 7-8 because they were obnoxious at that age. :-) Debbie and family, our family wishes you love, joy, and peace. Lee Anne and Paul Berlage, family of Arlene Broyles, Apt 201.*

“ *Cousin Eileen will be missed in so many ways. She was always a lovely inspiration to me and my family. I also looked forward to our trips from Detroit to Cincinnati so that I could spend time talking with this incredible, warm, and bright woman. I marveled at her work ethics throughout the years and how loving she was to my family, and children, in general and in times of need. Rest in peace Eileen, may your memory be a blessing, and love to your children and grandchildren whom I also adore.*

“ *Eileen was truly an inspiration to me and what fortitude she had to stay strong and determined. Eileen had a beautiful smile and always offered a great greeting and hug that I looked forward to receiving. Eileen took over and ran a great business, made a terrific impression and left me always looking up to her. She loved her family and that included the CSZ family! Eileen always looked so young and vibrant! Love you Eileen forever!*
