“ Dear David,
My thoughts and prayers are with you at this difficult time. In our business, it's not any easier when it's your own loved one. I send you strength, and hope that the wonderful memories you have of your Mom will help to carry you through your grief.

“ David
We are so sorry to hear of your loss While we were not privileged to know your mother during her prime, we do know that she had to be a very special person to have raised you.

Our thoughts and prayers are with you.

May her memory be for a blessing
