“ My name is Sharon Tebbe. My husband & I had become friends with Elaine about a year ago. I knew Elaine from my work place at Mercy Fairfield Hospital. Elaine was such a kind, thoughtful person, always trying to make the patients satisfied. She kept busy with taking orders & serving meal trays. She worked in our special area of open heart recovery. The patients and staff loved her. She was a dedicated, hard worker. I had the opportunity to spend some time with her & beautiful Labrador, Bella. I enjoyed talking with her and am devastated to learn about her passing. If there is someone who could call me to let me know what happened , I would greatly appreciate it. My phone # is 513-967-1121 . A text or voice message will work also. Thank you.
