“ *Very sorry to hear about the passing of "Mrs. P." She and Harold were my favorite neighbors for 8 years, and I returned as often as possible to see them after finally growing up and moving away. I always felt like they'd be there forever, helpfully available whenever I needed a tool or forgot my key. The saying "time marches on" is a misnomer...the one involving flight is far more accurate. Those years feel like yesterday. Condolences to Sheryl and Andy.*
