“ I will always remember Elenor being such a positive sweet lady, mother and grandma. She was so sweet to my dad when he moved into Cedar Village and befriended her parents many years ago.

“Eleanor and I shared many wonderful family and friend connections starting in Zanesville, Ohio as far back as 1976. My husband, Oscar and I developed a wonderful friendship with her parents, The Bellers, who hosted us at their lovely home numerous times during my husband’s one year residency at their local hospital. We then reunited with The Bellers when they relocated in later years to Cincinnati to be close to their family. By that time I had already bonded with Eleanor through our synagogue and found we had other longtime connections of family and friends. We seemed to connect so well even when she and Herbie moved out of their home into an independent facility, she called my husband knowing he would guide her the best way he could considering his background in healthcare.

I always found her to be such a warm and caring friend and she continued with these same wonderful qualities by helping my friend just a few years ago who moved into the Seasons and felt totally alone. Eleanor called me to let me know she would take my friend under her wing at the Seasons to make sure my friend felt welcome and comfortable when moving in. What a difference this made as she went out of her way to help her make new

Friends and get involved in activities. That was Eleanor!!! Such a special person with a good heart!!

I will always remember her friendly smile and warm personality! She will be missed by many!!
