“ To Janet and all of Ellen’s family and friends (especially Franci and Shelley),

*I just discovered Ellen’s passing. While heartbroken, it was comforting to be able to watch Ellen’s Service online. Thank you for posting it.*

*It was a blessing to have Ellen in my life. Wonderful memories of playing golf and tennis with her will live on. She often came to visit here in South Carolina.*

*And I will treasure the beautiful painting of hers that hangs on my wall — a constant reminder of her.*

*God bless you all,*

“ We have wonderful memories of Ellen from Charlotte's Erste August celebrations when we would visit Cincinnati. She always had such a positive outlook and cheerful personality. We will miss her terribly.

“ Dear Janet and Family,  
I am so sorry for your loss of a very special sister, aunt, great aunt and friend. Ellen was a wonderful woman, who was genuine, witty, and no nonsense. At the CWC, I painted with her for four years, and then had the pleasure of being in drawing class with her as well, even if it was somewhat disrupted by COVID. I admired Ellen's grit, and determination in dealing with her illness. She did not want people to focus on that aspect of her life. I absolutely know she loved her family, you Janet, and her beloved nieces and nephews, and grand nieces and nephews. She talked about all of you a great deal. With love!

*I am so sorry I missed her service, I would have been there, but I just learned of her passing today. Those of us who knew Ellen through the CWC, will miss her greatly.*

*My thoughts are with you all at this very saddest of times.*

*Most Sincerely,*

“ Thank you, Charlotte, for letting me know of Ellen's death. I 'm sorry I didn't know that she had become so sick. It is truly astounding just how much more you can learn about somebody from a nicely done memorial service. By attending her service virtually from Virginia, I learned so much more about her adventuresome spirit and how her kindheartedness and determination helped so many people. I am blessed to have met the Wyoming members of the Schaengold family several years ago. I wish our branches of the Schaengold family had contact with each other when I was growing up so nearby in Finneytown.

*May your memories only grow stronger with time. I wish you all peace and strength during this time.*
