“ Elliott was our dear friend since at least 1981. He was a superb accountant and advisor. We loved sharing many social occasions with Elliott and Rachelle while we all lived in the Boston area. As we all moved to different parts of the US, we kept in touch especially with Elliott's sense of humor sharing cartoons online. We have missed him in the last few years, but know that he received much love from his family and children. We send our love and condolences to Rachelle, Laurie, Larry and all the family.

“ Elliott was more than my stepfather. He was someone I never had before. He was my Dad. We always enjoyed our times together. I remember the time we got sick after eating too much at a food show. But it didn't matter because we just had fun together. We always found time for each other. I loved our nights out for dinner. We would talk all night..sometimes man to man but more importantly, dad to son. When I would call Mom, I always had to talk to you. I will always remember our talks and laughter we had over the years. So to you, Dad, you were always the most honest, decent and loved person I've had in my life. Your spirit will love on Dad! G-d bless you! With all my love, your son Larry

“ I met Elliott a few years ago at the Knights of Pythias meeting at Century Village in Pembroke Pines FL. He was an extremely kind and wonderful person. His warmth and friendship made growing old a more pleasurable experience. My wife and I want to express our sincere condolences to the entire family in this time of your loss.
