“ *Deep Sympathies sent from a later-in-life friend Dorothy Klayman (my mom). Estelle lived in the same Condo complex as my mom for years, and they became fast friends, bridge buddies and book club pals. My mom always enjoyed being with Estelle and their Condo group--whether eating out at Bravo's or discussing their latest book club selection. Estelle had a wonderful zest for life and was missed when she moved. We were so sorry to hear of her passing.*

“ *My condolences to Estelle's family. I worked with her at Syms for a few years. She always spoke of her children and grandchildren with such love and pride. She had so much energy, spunk and a great sense of humor! I will always remember Estelle with a smile on her face.*
