“ I think about Grandma Eva all the time. She was such an amazing grandmother and I will always be eternally grateful to have had her be such a special part of my life for the 16 years I had her in it, and how her love stays with me to this day. I still have one of her Shalimar perfume bottles and I smell it from time to time and I remember her awesome hugs. I'm so grateful for her hanging in long enough for me to go to summer camp and get to spend another couple of months with her. Hanging out in her room after school every day. Kissing her forehead every day and hoping she felt the love. Grandma Eva, I miss you all the time and I hope you can see the beautiful life I've built. Today I honor your memory and thank you for everything you did for us. Wish we could go to Skidders together! Love you Grandma:
