“ I have been wondering whatever happened to Faye since her birthday card was returned from the Anderson a few years ago. I had no family contact numbers but just searched for her obituary and found this today. Heartbroken.

I was Faye's representative payee at Open Door Ministry in Walnut Hills for several years before she moved to Abel Manor. I continued to visit her there and at the Anderson. She often joined our family for dinners and some holiday celebrations. For years we celebrated our birthdays together as they were 2 days apart. Faye became one of the family. When she became too anxious and unsteady on her feet to visit in our home, we kept in touch by phone and mail. She was very gracious....a wise and compassionate woman of faith. She had a wonderful sense of humor and was dear friend. Faye had a difficult life, but made the best of it. I miss her and will always remember the times we shared together. Our whole family loved her.
