“ It is with great sadness that I share with the family in their loss of loving wife, Mother and friend to many. Fran was a special person and great friend to me over the years after she and Ralph suffered the loss of their son Jim and my close friend, and some years later the loss of my Mother and companion some thirty days apart. Over the years she penned me many little notes which were always cherished and a joy to receive.
Rest in Peace my friend! Gene
