“ Our family was also a part of the early years in Roselawn. I have such fond memories of Fran, Lou and the "boys" as all of our families were building our young community. How fortunate I and my siblings have also been to continue to share many ongoing life events with Fran and her "legacy". From all of the Malofs, Serbins and Roses- sending love, condolences and caring remembrances.

“ Our families were good friends since early days back in Roselawn, but especially close were my mom (Dorothy Klayman) and Fran. They shared so many good family experiences as their kids grew up into kind, caring and productive adults. Especially noteworthy times shared were challenging bridge games, New Year's Eve White Castle dinners and fireworks, Passover dinners hosted by Fran and Lou, family cookouts at Neal's...and really so very much more. Our families share very fond memories over decades, indeed. To Steve, Neal, RJ and their families: our deepest heartfelt sympathy. Please know my mom has a special place in her heart for all of you and you can call her anytime in the coming months to share and reminisce about Fran as lifelong friends. I am sending you my deepest sympathies on behalf of me and the other Klayman kids, too. Much love and prayers.
