“ I supervised Gary when he transferred to the Victim Services Unit at the Hamilton County Adult Probation Department. Gary was hilarious and had a kind heart. I am so sorry to hear of his passing, and wish for comfort and peace for those who loved him.

“ Dear Bob and Family;
My dear friend Gary and I went through the Master of Social Work program at UC in the early nineties. We never lost touch in the ensuing years and never failed to acknowledge our deep affection for each other. I will dearly miss him, and may his memory indeed be a source of comfort and a blessing to all.

Best Wishes;

“ To the Stutz Family,
There are no words I can express then "I am sorry". I hope that
these words will help to ease your pain.
Gary and my daughter Rachel went to school together and shared
many mutual friends. I have not seen Gary since Wyoming High
School. Gary was always a "hail fellow well met."
May his memory be for a blessing.
