“ I remember Gene from being a classmate of his at Salmon P. Chase Law School. He was a top student ,a skilled business person and had an outgoing personality. I remember he became a top lawyer specializing in shareholder derivative lawsuits and a top philanthropist.I remember in later years when we met ,he made interesting conversation about family, the University of Michigan football team and Jewish causes. Gene was a positive role model and a man of valor.

“ Gene was an exemplary man. I had the pleasure to know him and enjoy many a conversation with him about his love of the University of Michigan and the State of Israel. He was generous to a fault and was very supportive of me during a difficult time in my life. He has certainly left the world a much better place. May his memory always be for a blessing. -Rob Festenstein

“ Gene Mesh, “What a good guy.” I remember Gene growing up. Gene had an ever present smile. Gene would always greet you with a firm hand shake and a good word. Eating lunch at the Wheel Cafe at the community table was like taking a class at UC. Gene would share stories of past Cincinnati history or news of the day. I was lucky to grow up with a friend like Gene. There are very few around today. And for that I feel sorry for the young people of today. Hail fellow well met. Rest In Peace Gene, see you down the road.

My first memory of Gene was of a robust man proudly wearing his U of M. emblazoned sweatshirt for our first-time meeting at Marx Bagels. This, knowing I was a huge Ohio State University fan. From the time of that initial meeting , I had the honor and pleasure to know and work Gene for over fifteen years. He was a generous philanthropist and even more generous with his kindness , time and warmth of spirit-except when it came to the Buckeyes. I am grateful to have known him and thank his family for their kindness to me over the years as well. I miss him already

I am very sorry to learn of Gene's death. I first encountered him in connection with Chuck and Dianne's wedding, and our paths crossed periodically since then, including once this summer. He was a fine man and will be missed.

When I first visited Adath Israel for Kol Nidre 1969 edition Gene approached my seat and exclaimed, "Welcome to Adath" along with additional kind greetings. Gene proceeded to reach into his trouser pocket. I was rather amused. He extended his hand to me and presented me with a Silver Dollar. I was speechless to say the least. He wished me a Shanah Tovah. Though I had no further contact with him I came to admire him and respected his wonderful deeds. Gene possessed a strong charisma of a leader and enlightened man. Perhaps it's no accident that Gene left us near the anniversary of Moshe's passing. Gene has truly left us with a legacy and wonderful memories.
