“ *The Stewart Family,
My thoughts, you go through life meeting a lot of people. If you are
lucky you get to meet a person that is bigger than life. I was lucky, I
met George Stewart.*

*There are no words that will ease the pain for your loss. Please
accept, "I am sorry."*

“ To the Stewart family, sorry to hear the news of George’s passing. My dad always looked forward to his Sunday golfing with George being one of their foursome. Many memories of going to the farm. Stuffing us into a station wagon in between mini bikes and food. Remember when he took out Ellen and Richard in the all terrain unit and ended up in a creek. Prayers for all the Stewart’s and great memories of a great man. Tommy Adams

Baruch Dayan Ha'Emet - was very sorry to hear about George's passing - he was certainly a loving husband and wonderful dad to his children; who else had their own train car? All we had was a station wagon.
Our heartfelt condolences on your loss.
Love from your former neighbors, Suzi, Bobby, Marty and David.

Jeff, I'm very sorry to hear about the passing of your father! I learned a lot from him; going back to the times I caddied for him in the late 60's and early 70's to the forming of the barge company! He was a great mentor! You and your family have my condolences! Your friend, Jim Uehlin
